TRANSCRIPT GUIDE ON REVERSE SIDE

**NORTHWEST MISSOURI STATE UNIVERSITY – Maryville, MO 64468-6001**  
**Office of the Registrar (660) 562-1151**

**INSTITUTIONAL NAMES**

1905-1919: Normal School District No. 5  
 1919-1949: Northwest Missouri State Teachers College  
 1949-1972: Northwest Missouri State College  
 1972: Northwest Missouri State University

**ACCREDITATION**

Northwest Missouri State University is fully accredited by the North Central Association of Colleges and Secondary Schools. See the catalog for other accreditations.

**SPECIAL TRANSCRIPT CODES**

- \* = course repeated or not allowed; does not count in cumulative GPA, but is included in GPA for term
- Δ = credit denied/void – too many physical activity credits; only first four may count toward degree
- # = Bachelor of Technology credit only
- @ = superseded at transfer school; does not count in cumulative GPA or in total transfer GPA
- \$ = not B.A. or B.S. elective
- % = activity credit; does not count in GPA or total hours
- > = course repeated but not superseded
- + = (preceding course title) Electronic Campus+ Program course utilizing notebook computer

**CREDIT SYSTEM**

The unit of credit is the semester hour.

**GRADE POINT AVERAGE (GPA)**

GPA is based on A equals 4, B equals 3, C equals 2, D equals 1, F & WF equal 0. The GPA is computed by dividing the total grade points by the total number of hours of academic work attempted. Grades which are used in the grade point calculation are A, B, C, D, F, and WF.

The number of hours used in GPA calculation, number of grade points earned and the GPA appear for each term, at the end of each record and at the point of degree conferral.

Transfer credits are accumulated for each school. Northwest credits are accumulated for each term. Transfer work is included in the cumulative GPA. Graduate transfer credit is added to a student's record if the student is a degree candidate and if the credit is applicable to the degree being sought.

**REPEAT ENROLLMENTS IN COURSES**

Undergraduates receiving a grade of D or F may repeat a course and only the highest grade earned will be used in computing the cumulative GPA; however, the lowest grade will remain as a matter of transcript record and is reflected in the term totals. With an approved petition, a graduate student may re-enroll in a course once to improve the grade and demonstrate greater competency, but the student may not receive credit twice for the same course.

**ACADEMIC HONORS – UNDERGRADUATE ONLY**

Full-time students (12 hours each term, except 8 hours Summer until 1999) who earn at least a 3.50 GPA are included on the Academic Honor Roll. Students who earn a 4.00 GPA are named to the President's Honor Roll. Students who take a delayed grade are not considered for the honor roll for that term. These honors are transcribed as of Fall 1995.

Prior to 1981, students earning 3.50-4.00 cumulative GPAs graduated "With Highest Honors," and students earning 3.00 to 3.49 GPAs graduated "With Honors." As of Fall 1981, students earning 3.95-4.00 GPAs graduated "Summa Cum Laude," those earning 3.75-3.94 graduated "Magna Cum Laude," and those earning 3.50-3.74 graduated "Cum Laude." These honor designations appear below the degree statement. Second degrees are not ranked nor are honors awarded.

**COMPLETION OF DEGREE**

Degrees completed are entered at the point they are awarded and indicate type of degree, conferral date and major(s) and minor(s).

**GOOD STANDING**

Student is academically eligible to register unless otherwise noted. Disciplinary actions are NOT included. Questions concerning such matters should be directed to the Vice President for Student Affairs.
