Please click [here](#) to view more details about your appointment. If applicable, use the eCheck-in feature to verify your demographic info, current medication list, allergies, and health issues. Please note that you will need to complete any additional paperwork required by the office in person on the day of your appointment. If you have an Advanced Directive, please make sure to bring it to your appointment so it can be scanned into your medical record.

If you have a fever, cough or respiratory symptoms, please call our office at 404-479-5708 prior to traveling to your appointment. To protect the health of everyone at this time, and based on current CDC guidelines, please wear a mask to your visit, and if you do not have a mask, we will provide one for you. Only visitors who are essential for care support may accompany you and must pass the visitation screening and wear a mask to remain with you for your appointment.
