I'll be away from my desk and devices for the Sabbath, except when participating in services at CBH. I look forward to connecting with you virtually when I return on Sunday. Shabbat shalom, Rabbi G

Rabbi G,

God bless America, our freedoms of speech and my ability to express a middle finger emoji at the welcoming committee Rebecca met me at my first night at CBH Shabbat without penalty. I was directed to the online services at your temple by the local GA Tech Hillel coordinator for a Jewish outlet over the pandemic. In the future, my caustic liberal self will choose a more moderate temple where I expect to feel welcome.
